Feeding Instructions	How Much?	When?	Already Eaten Today?	You can give my pet your:
I brought my pet's food		Morning	Yes	Treats
		Afternoon		
Use Falconbridge's food		Morning & Afternoon	No	Canned Food
		Free Feed		
Breakfast Sprinkles – daily probiotic added to breakfast to promote GI health (\$2.00 per day)				
Zen of Zylkene – daily calming supplement added to breakfast for a more relaxing stay (\$3-6.00 per day based on pet's size)				

I hereby authorize and direct the veterinarians and staff of Falconbridge Animal Hospital to board my pet during the above-specified period. I certify that my pet is free of external parasites and contagious diseases at presentation to the best of my knowledge. I authorize the hospital to perform any diagnostic or treatment procedures deemed necessary for my pet. Pets may have their nails trimmed for the safety of the staff.

I understand that current **Wellness Exams, Distemper, and Rabies** vaccinations are required for all pets, as well as **Parvo, Bordetella (6 months), Flu Vaccine (H3N2)** and a **Fecal Flotation** for dogs before admission to the hospital. Pets not current on vaccines/testing will be updated as long as it is deemed safe and advisable by a veterinarian. **New patients or pets who only board with us**, are required a once a year **Intake Exam** to be performed by Falconbridge doctors to ensure the safety and health of pet(s). I will be charged for these services. I understand that my pet will not be supervised overnight.

Other services desired at additional cost (please check): **(Items in bold blue are required for boarding pets)**

Medication & Supplements

ALL medication/supplements must be in their original containers!

There is a fee of **\$5.00 to \$14.00 daily for administration and monitoring** of medicated pets.

If your pet is on insulin and is not eating well, the doctor will run a blood glucose test (\$18.75 each) as needed to ensure that the dosing is correct for your pet while boarding with us.

Please list medications/supplements to be given while boarding as indicated below.

Name of Medication	Amount To Give	# of Times Given Daily	Was the medication given today?	Does it need to be given today?	Comment / Do you need a refill?
