What is the main issue you would like Dr Crosier to address?

If this is not your first visit, do you feel acupuncture made your pet feel better or have more energy? \_\_\_\_\_

How is your pet's appetite? \_\_\_\_\_

How is your pet's water consumption? \_\_\_\_\_

Are there any problems/changes since last acupuncture session?

I understand that current **Wellness Exams, Distemper, and Rabies** vaccines are required for all pets, as well as **Parvo, Bordetella, Flu Vaccine (H3N2), and a Fecal Flotation** for dogs before admission to the hospital. Pets not current on vaccines/testing will be updated as long as it is deemed safe and advisable by a veterinarian. I know that I am responsible for associated costs.

I certify that to the best of my knowledge my pet is free of all external parasites upon signing this release. If parasites, such as fleas or ticks, are found, I understand that my animal will be treated on admission for an additional cost.

**If approved by Dr. Crosier**, would you like your pet to receive any additional services while with us today?

\_\_\_ Nail Trim (\$18) \_\_\_ Anal Gland Expression (\$24) \_\_\_ Ear Cleaning (\$26)

\_\_\_ Other: \_\_\_\_\_

\_\_\_ Heartworm Preventative: \_\_\_ 1 dose \_\_\_ 1 box

\_\_\_ Falconbridge & Village Vets can use my pet's photos on [FalconbridgeAnimal.com](http://FalconbridgeAnimal.com) and their social media accounts. (Like us on Facebook and follow us on Instagram!)

\_\_\_ Please call me when my pet is ready to be picked up; I know this will likely be after 2:30pm.

\_\_\_ I plan to pick up my pet at \_\_\_\_\_ time; there is no need to call me when you are done.

\_\_\_ I understand that basic acupuncture is \$95-\$130 and that payment for all services is expected when I pick my pet up.
